**DO YOU KNOW**

That the surest way for a young person to become self-supporting is to get a thorough knowledge of shorthand and typewriting? If he learns bookkeeping all the better. In securing this education he must not overlook the important subjects of writing and spelling. We make a specialty of these essential studies, and for the sum of \$50 a person may attend the day session for a period of ten months. Six months is found sufficient in some cases, and in others only five months is necessary, but we do not wish anyone to be deceived in thinking that these cases are the average, for they are not. You had better count on ten months. If you are at work during the day we will give you three months (12 weeks) for only \$10, night sessions. This is a reduced rate and is just one half the day rate. A beautiful catalogue will be sent you on application, but we prefer to have you come and see us. A good time to call is after five in the evening.

**SPIRIT OF JEFFERSON.**

CHARLES TOWN, JEFFERSON COUNTY, W. VA.

TUESDAY MORNING, JULY 17, 1900.

GEO. W. HAINES, Editor and Proprietor.

\$1.50 in Advance; \$2 if not Paid in Advance.

TRIBUTE.

Because my body turned a red,  
And death at this appalling end,  
My soul rose upward, seeking God,  
Oh, thou who makest time to meet  
Before thy holy judgment seat,  
Lo, here I stand with muted feet!

In that far better world spring  
And little birds are choosing  
I found no sacrifice to bring.

Only my heart, this bleeding spot—  
By thee conceived, by thee begot—  
Where warm of hunger death not  
Take it, oh, Lord, a scarlet stain  
To set within thy robe of earth again.  
—Alice Brown in Atlantic.

**A LUCKY ASSIGNMENT.**  
BY A. E. BELL.

They were old friends and had accidentally met at the Pioneer Press, club after a separation of more than a decade. After the experiences of each had been recounted at some length one of them related the following story to a coterie of newspaper men who were present.

"It was back in the eighties that I held a desk as city editor on the staff of the Potomac (Pa.) Democrat. I had been working pretty hard, and my health was failing, so one day the chief advised me to take a month or two off, go into the country and recuperate. He further advised me that if I wished to take the vacation I would be placed on full pay on the condition that I write a letter each week which might be of interest to patrons of The Democrat."

"I had a friend located in a little town in Washington county who was engaged in the publication of a weekly paper, and I at once made up my mind to go down and pay him a visit."

"I arrived at my destination in good time and was enthusiastically welcomed by my friend and his estimable young wife and made to feel at home immediately."

"I lounged about the town, which had a population of about 1,500 souls, and struck up quite a large acquaintance within a short time. I was engaged in the publication of a weekly paper, and I at once made up my mind to go down and pay him a visit."
